

CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is Pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. It cures Diarrhoea and Wind Colic. It relieves Teething Troubles, cures Constipation and Flatulency. It assimilates the Food, regulates the Stomach and Bowels, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

HEAR HER!

A WOMAN'S STORY.

This is to certify that I have been afflicted with Rheumatism and Blood Poison for a number of years. The best physicians of Mobile and this city said nothing could be done for me. I took many medicines but found no relief. I was sent to a physician in Mobile and my entire body was a mass of sores. I had given up all hope, and as a last resort tried P. P. P., and after using four bottles (small size), the sores have entirely disappeared, and my general health was never better than at the present time, and people that know me think it a wonderful cure. ELLEN T. TONK, Milton, Fla.

What can be worse for a woman than an otherwise beautiful skin covered with sores and eruptions? Can you blame people for avoiding women thus afflicted? But what woman wants pity? Besides the humiliation of disfigurement, the itching and burning of skin diseases are almost unbearable. All women ought to know that all facial and bodily blemishes are caused by impure blood, and are curable. P. P. P. will purify the blood, and when the blood becomes pure all skin diseases vanish. P. P. P. is a harmless vegetable compound, and never fails to eradicate from the system all traces of Blood Poison, Scrofula, Rheumatism, Neuralgia, Dyspepsia and Catarrhal affections.

P.P.P.
(Lippman's Great Remedy.)

FROM ONE OF SAVANNAH'S PROMINENT MERCHANTS.

I herewith recommend to the sufferers of Rheumatism and rheumatic pains, Lippman's P. P. P., as I have carefully tested it and found permanent relief. Also my son, who, for years, has suffered from Rheumatism, has used it for the last year with good results, and has not suffered since, and is still using it. Would not do without it if it cost double, or at any price. Yours truly, CHAS. SEILER.

Interesting Items Collected By Our Rural Editors

BELLEVUE

Mrs. W. R. Bryant has rented the Abshire store, corner of Dunn avenue and Second street, and has opened a dressmaking establishment. She will also put in a carefully selected assortment of millinery for the accommodation of the public.

Mrs. E. M. Hall is recovering from her long illness. She is now staying with her sons, the Hall Brothers, and son-in-law, Captain McDougall, at their turpentine still settlement.

Miss Hallie McDougall and brother, Robert, have gone to Georgia to live with a brother, John McDougall, and Lidie McDougall is staying with her uncle, Tom Hall.

Mr. and Mrs. William Doltell of Southington, Conn., have arrived, and are at their pleasant winter home on Lillian Terrace.

Mrs. Halstead, who has been spending the summer with relatives in Canada, is back again.

Presiding Elder Butler held his fourth quarterly meeting at the Methodist church Sunday.

A Christian Endeavor social was held at the Misses Stroble's residence Tuesday night.

CANDLER

No place in Florida has done more than Candler in developing methods for protecting orange groves from the "blizzards" that have been so frequent for the last few years. The triangle, which is so extensively used in this vicinity, is a device that emanated from the fertile brain of Professor J. Y. McKenney of this place. From experiments made last winter with the triangles, it is the firm belief that orange trees can be saved, even though the cold should reach the zero point.

Under the supervision of Professor McKenney, the shed over the grove of J. Frank Shields of Philadelphia is nearly completed. It is, beyond doubt, the finest structure of its kind in Florida. By a new and simple device of Professor McKenney's, the cover of the shed can be raised and tightly closed over a five-acre grove by two men in less than two minutes. There have been numerous visitors from different parts of the state to see and inspect this new shed.

Captain Frank Swift of Welaka paid Candler a visit a few days ago for the purpose of inspecting the new shed. He was highly pleased, and pronounced it by far the finest shed he had ever seen in Florida, and will cover his fine grove of 1000 orange trees near Welaka next season with a similar structure. The next two years will see thousands of orange trees in this vicinity growing under a duplicate of this shed. Orange growers who contemplate building sheds over their groves next season would do well to visit Candler and thoroughly examine this shed before building. Mr. Shields intends to shed an additional five acres next season.

The orange growers of Candler certainly deserve praise for their pluck and perseverance in keeping their buds alive and in such a fine and thrifty condition, under the adverse circumstances that have prevailed since 1894. There have been over fifty thousand budded trees in Candler preserved that can be brought into immediate bearing by proper protection.

The timely editorial in the Times-Union and Citizen on protected citrus fruits struck a sympathetic chord in the minds of many orange growers of Central Florida, and has awakened deep interest.

Judge W. S. Bullock of Ocala has recently purchased a five-acre grove in Candler that he will protect.

All those who have preserved their buds and are not able to protect their groves will find a ready sale in the near future to parties who will protect them.

COTTON PLANT AND MARTEL

There were services at St. Johns church Thanksgiving day.

Cane grinding is nearly done. The yield has been very good.

Mr. Ray, of Cordele, will put up a turpentine still at Leroy.

The turpentine men are busy cutting boxes.

Mrs. Mittie Long is visiting friends in Jacksonville this week.

The fourth conference for the Cotton Plant circuit will be held at Leroy December 5.

Rev. Mr. Kennelly, who has served the Cotton Plant circuit as pastor for the last four years, will close his pastorate on the second Sunday in December at St. Johns church. Cotton Plant, and will leave for Bartow on Wednesday after to attend the annual conference.

This locality is noted for its fertile lands, thrifty farmers and abundance of hog and hominy.

D. A. Clark, the naval stores man, has returned from a business trip to Georgia, during which he visited the Valdosta fair.

A ripple of excitement was caused at Martel by a notice being telegraphed to look out for a Georgia man passing through the turpentine plants and inducing laborers to return to Georgia. A guard, with loaded guns, kept watch, but the Georgia man went to other fields.

John H. Brooks has been appointed and qualified as postmaster at Martel. He is making substantial improvements in the new postoffice.

J. J. Tillis, a new merchant at Tillis, has repainted his store and dwelling, and has erected an additional building in his horse lot.

Mrs. H. W. Long, L. C. Bell and wife, D. A. Clark and others will see gala week, and are anticipating a royal good time.
